<tr>
  <th align="left">HISTORY OF SIR SYED UNIVERSITY
  <p align="left"><span>Sir Syed University of Engineering and Technology is
based on the heritage of Sir Syed Ahmed Khan and of the Aligarh Movement. An
education and social reformer, Sir Syed emerged on the scene in the sub-continent
towards the middle of the 19th century. In the spirit of the Aligarh Movement,
AMUOBA (Aligarh Muslim University Old Boys Association) focused attention on
furthering education in Pakistan, especially science and technology. An
achievement in this field has been the establishment of Sir Syed University of
Engineering and Technology (SSUET). SSUET came into being on 8 October 1993, and
its Charter formalities were completed by an Act passed by the Sindh Assembly on
17 September 1995. The founder of this University is Z.A. Nizami.</span></p></th>
